MR. KENNEDY'S NOBLE GIFT.

The United Charities Building Al-

most Ready for Dedication.

Formal Ceremonies Will Take Place

Monday Evening.

A noble home for charity will be dedicated Monday evening. It is the United Charities' Building at Fourth avenue and Twenty-second street, which has been built by Banker John S. Kennedy as a gift to the four principal non-sectarian charitable organizations of the city, the New York City Mission and Tract Society, the Children's Aid Society and the Association for Improving the Condition of the Poor.

The cost of the building, including the site has been between \$50,000 and \$60,000. It is a four-story building, with wide and seven stories high with a basement. The first four floors will be occupied by the offices of the different societies, and the rooms above will be left to other charitable organizations and for general purposes.

When these societies get settled in their new quarters there should no longer be any necessity for "The Evening World's" Temporary Relief Fund.

The building is intended to be the great center for charitable work in this city, and by bringing the different organizations under the same roof, it is expected that more effective co-operation will be secured.

Banker Kennedy gives the building outright to nine Trustees, who will have the entire management of the building. The four societies will occupy the building rent free. Other charitable organizations can rent rooms at 20 per cent. less than the regular rates. The running expenses will be met by the income from the rents of the upper stories and the four societies will share surplus and deficit alike.

The building will be open from 3.30 to 6.30 P. M. afternoons for inspection. At 8.30 P. M. the dedicatory exercises will be held. Mr. Kennedy will preside and make the presentation address.

Cour d'Alone Mines Close Down.

STOKES FALLS, Wash., March 3.—The Banker Bull and Sullivan mines at Wardner, probably the greatest silver lead property in the world, have closed down indefinitely. The reason assigned is the high railroad tariff on ore. It is rumored that other Cour d'Alone properties will also close down.

Fell from the Second Story.

Edward Love, aged thirty, of 34 Catherine street, while decorating the front of the building at 17 Centre street, Dry Dock, fell from the second story at 8 o'clock this morning, receiving contusions of the forehead and other injuries. He was taken to St. Vincent's hospital.

Meant Something Else.

From Train.

Jeune Fremont, at the amateur theatricals last night, had her eye knocked out by a fellow passenger who got the stage fright.

Heavy Victim—No; I think she's to her dressing-room.
